TERROIR

**From a high plateau, the eye travels across a wide luminous landscape stretching to a vast horizon dotted with ancient castles. A path winds along the southern bank of the Duero River. It leads to one of the most beautiful spots in the region, the Magarín vineyard, where Verdejo vines thrive in soi**

TASTING NOTES

**Brilliant pale gold in color. Exquisitely floral (verbena) with lovely fruit (pineapple, lemon preserves). Silky, vinous, with a good sense of body.**

PRODUCER

**TORRES SPAIN**

AGRICULTURE

**Sustainable Practices**

VINIFICATION AND AGING

**Number of days of skin contact: 4 hours Type of fermentation: In concrete and stainless steel tanks at a controlled temperature Number of days of fermentation: 15 days Fermentation temperature: 14°C Ageing: The wine had 4 months on lees, plus a small percentage was barrel-aged in French oak.**
