The grapes come from vineyards planted by Tomás Esteban and range from 10 to 18 years old. They yield a production of 4,500 kg per hectare and are totally free of any artificial fertilizers or chemical treatments.

TASTING NOTES

Stunning purplish ruby vintage with rich extraction. Wide range of delicately spiced cigar box and cherry confit aromas. Harmonious, silky, opulent and powerful palate. Charming, epicurean and beautifully matured. Your guests will want more! Ideally, decant 30 minutes before serving. A superb wine a

VINIFICATION AND AGING

The fermentation process is very gentle without intensive extraction, in stainless steel tanks with a capacity of 20,000 kg. During production no enzymes or yeasts are used that do not come naturally from the grapes themselves. Aged for 14 months.
