TERROIR

The gravelly subsoil is covered with a clayey limestone topsoil in some areas and a clayey gravel topsoil in other areas.

TASTING NOTES

The wines of Château Lamothe-Cissac are a deep ruby red colour in their youth. Upon aeration, a wide aromatic array develops; aromas of fresh red berries, cassis and baked fruit meld with sweet spice. The subtle toasty, vanilla oak nuances are already very well-integrated. On the palate, this wine

VINIFICATION AND AGING

The harvest is 100% destemmed. Modern temperature-controlled vats perfectly suited for the vinification of fine red Bordeaux wines. 2 to 3 daily pump-overs to optimize the colour and tannin extraction from the skins. 4-6 week maceration. Micro-oxygenation in vat to increase the tannic structure and c
